Activities update

Our second quarter was very productive for our club. Here is some of what we did:

- Raised approximately \$1,500 for Pregnancy Life Line for our Young Children's Priority One Project and with that money we were able to purchase and deliver the following on May 25th:
 - 10 New Cribs
 - 10 New Mattresses
 - 10 Sets of Mattress Cover, 2 crib sheets and a blanket
 - 4 Pack 'N Plays
 - 1 box of Diaper Wipes (this box contains 6 packages)
- Kiwanis One Day - April 10th - painted the train depot next to Hollister Town Hall
- For the second quarter, we raised approximately \$700 and that will go to help the Boy Scouts with Camp Scholarships.

 that all parents will be their children's best first teachers.*

Dear Kari,

Please pass along my sincere gratitude to the Kiwanis members for helping with our Kindergarten Screening Day. You were all wonderful with the children and parents and we greatly appreciate your time and efforts.

Sincerely,

KIWANIS ONE DAY PHOTOS

Hollister Depot - Saturday, April 10

Thank you to everyone who made the time to come out and paint the Hollister Depot on Saturday, April 10th as part of Kiwanis One Day.

It made a huge difference and Mayor David Tate plus the City of Hollister recognized us for our efforts.

Dear Kiwanians,

On behalf of the residents, elected officials and staff of the City of Hollister, please accept our sincere appreciation for your hard work and extra efforts in the restoration of the Hollister Community Center (The St Louis Iron Mountain & Southern Railway Company Passenger Station)

Our City is preparing for its 100th birthday and the Branson Tri-Lakes Kiwanis are playing a large roll in the preparation and conduct of this important event. This community effort is in addition to the traditional service to the children of our region and the world. Our City is witnessing, first hand, great people and a great organization doing a great job.

The actions of the Branson Tri-Lakes Kiwanis are in keeping with the highest traditions of community service, bringing honor not only upon your organization but also the Kiwanis International Organization.

Once again, thank you for a job well done and accept our challenge to maintain your high level of service to the community.

Respectfully,

Dear Kiwanis Friends,

Your organization has made such an amazing difference in our organization. You have already impacted the lives of babies in Stone County and now you have increased that impact considerably.

It is with honor and humility that we extend our heartfelt gratitude for what you did this week. We have so many babies that need a safe place to sleep and because of you, this will happen.

The statistics already prove that what we are doing is increasing a healthy life for babies and families and you can certainly take pride in the fact that you are a big part of our success.

God Bless you and thank you from the bottom of our hearts.

Sincerely,

Shirley M Mullen,
