Thank you for serving

My Fellow Kiwanians,

In this year of dizzying electoral choice, isn't it good to know that we've already made all of the difficult decisions? Congratulations to our incoming officers and board members, and thank you for agreeing to serve our club and help lead the important work we do in our community.

Also, as we move forward with restructuring our service partner program in the next year, we're going to need the input of all members as we look for new or different ways we can have the most impact serving the children of our community, either through fundraising or service projects. Thanks for your input so far, and keep bringing those great ideas!

In service,

James
